## PROFILE

As a **Lead Graphic Designer** at our Editorial Board, **Vice President** of Forge Innovations Club, and **Event Manager** at CESTA. I have a track record of increasing productivity, collaborating with my people, and relieving managerial workloads through expertise in various technologies. Additionally, my proficiency in testing and debugging processes has consistently ensured the delivery of high-quality software products.

## EXPERIENCE

### VICE PRESIDENT

Forge Innovations Club, DTC

Nov, 2023 - Present

- Created a highly effective organizational structure that improved workflow and productivity.
- I worked with project managers to develop and implement strategies for cost savings and resource optimization.
- Recognized and responded to students' individual needs and learning styles .

### EVENT MANAGER

CESTA , DTC

Aug, 2023 - Present

- Utilized social media to effectively promote the event and engage with attendees
- Produced promotional materials, such as flyers and posters, to increase awareness of the event
- Developed and maintained relationships with key stakeholders to ensure smooth event planning and execution.

### EVENT MANAGER

NSS, DTC

Dec, 2022 - Present

Being a part of NSS, I have been volunteering in various government initiatives and events including Blood Donation camps, Food Distribution Camps, etc.
